INTERIM FINANCIAL INFORMATION
SEPTEMBER 30, 2021
AND AUDITOR'S REPORT ON REVIEW OF
INTERIM FINANCIAL INFORMATION

#### Auditor's report on the review of interim financial information

To the Board of Directors of Bangkok Land Public Company Limited

I have reviewed the interim consolidated financial information of Bangkok Land Public Company Limited and its subsidiaries, and the interim separate financial information of Bangkok Land Public Company Limited. These comprise the consolidated and separate statements of financial position as at September 30, 2021, the consolidated and separate statements of comprehensive income for the three-month and six-month periods then ended, the related consolidated and separate statements of changes in shareholders' equity, and cash flows for the six-month period then ended, and the condensed notes to the interim consolidated and separate financial information. Management is responsible for the preparation and presentation of this interim consolidated and separate financial information in accordance with the Thai Accounting Standard 34, "Interim Financial Reporting". My responsibility is to express a conclusion on this interim consolidated and separate financial information based on my review.

#### Scope of Review

I conducted my review in accordance with the Thai Standard on Review Engagements 2410, "Review of interim financial information performed by the independent auditor of the entity". A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Thai Standards on Auditing and consequently does not enable me to obtain assurance that I would become aware of all significant matters that might be identified in an audit. Accordingly, I do not express an audit opinion.

#### Conclusion

Based on my review, nothing has come to my attention that causes me to believe that the accompanying interim consolidated and separate financial information is not prepared, in all material respects, in accordance with the Thai Accounting Standard 34, "Interim Financial Reporting".

**Emphasis of Matter** 

I draw attention to the interim condensed financial statements 22(c). On July 23, 2018, The Company filed a lawsuit against

Deutsche Trustee Co., Ltd and its partisans to prosecute in a court of Thailand, a civil lawsuit was filed against the

Central Intellectual Property and International Trade, claiming damages of Baht 625.61 million. On February 5, 2021, the

Court has rendered a judgment for the Company to repay the outstanding amount incurred under the USD Bonds, including

interests, in the amount of USD 28,360,689.46 and the default interest at the rate of 4.5 percentage per annum calculated from

the principle amount of USD 13,379,000 as from the date of the Trustee's counter-claim until the date of the completion of the

payment. In addition, the Company shall also make payment of the expenses incurred from the operation as a trustee and other

expenses of the Trustee, including interests, in the amount of GBP 1,868,885.65 together with the default interest at the rate of 2

percentage higher than the interest rate of West Bank calculated from the principle amount of GBP 1,798,034.17 as from the

date of the Trustee's counter-claim until the date of the completion of the payment and the Company has already recorded under

"provision for loss on pending lawsuits" in the financial statements. However, the aforementioned case is not final and the

Company had exercised its right to appeal in accordance with the law. The case is currently under consideration in the appeal

level. My conclusion is not modified in respect of this matter.

Other Matter

The consolidated and separate statements for the year ended March 31, 2021 of Bangkok Land Public Company Limited and

its subsidiaries, presented herewith for comparative purpose only, were audited by another auditor in my firm whose report

dated on May 28, 2021, expressed an unqualified opinion on those financial statement, the consolidated and separate

statements of comprehensive income, for the three-month and six-month periods ended September 30, 2020 and the

consolidated and separate statements of changes in shareholders' equity and cash flows for six-month period ended September

30, 2020, of Bangkok Land Public Company Limited and its subsidiaries, presented here with for comparative purpose only,

were reviewed by another auditor in my firm and concluded that nothing has come to attention that causes to believe that the

accompanying interim financial information is not prepared, in all material respects, in accordance with Thai Accounting

Standard 34, "Interim Financial Reporting" in report dated on November 13, 2020.

The Company established a wholly-owned subsidiary, Bangkok Land (Cayman Islands) Company Limited (BL Cayman), in October 1992 with a registered capital of USD 10,000. BL Cayman issued exchangeable notes in foreign capital markets, guaranteed by the Company and the entire proceeds of the notes were lent to the Company on equivalent financial terms.

The Company entered into a loan agreement with BL Cayman on October 13, 1993, whereas in the event that the Company should have failed to meet its payment obligation which would have caused BL Cayman not able to make its payment to the note holders, the Company agreed to pay BL Cayman a penalty interest of 1% above the normal interest rate per annum on the amount due by the Company. However, no claim has been made against the Company. The Company therefore has not accounted for the penalty interest in its financial statements.

On March 28, 2016, the Company entered into agreement with BL Cayman that both parties agreed to acknowledge the debt and amend the terms and conditions. Outstanding debt as at December 31, 2015 was Baht 14,189 million (comprise of principal of Baht 4,619 million and accrued interest of Baht 9,570 million) which the BL Cayman agreed to waive accrued interest of Baht 189 million and the remaining amount of Baht 14,000 million was changed to be a principal with no interest charging since January 1, 2016 onwards. The Company recognized a gain on debt forgiveness as other income in the statement of comprehensive income for the year end March 31, 2016.

On March 30, 2016, the BL Cayman entered into agreement with Sinpornchai Company Limited that BL Cayman agreed to sell debt with BLAND amounting to Baht 14,000 million to Sinpornchai Company Limited at the price of Baht 200 million.

On March 31, 2017, the Company entered into a debt restructuring agreement with Sinpornchai Company Limited. The Company agreed to pay the unpaid amount of Baht 14,000 million to Sinpornchai Company Limited by offsetting the total amount of Baht 600 million (consisting of a principal of Baht 400 million and accrued interest of Baht 200 million, the Company has ceased to charge interest on the outstanding principal of Baht 400 million since April 1, 2017). Subsequently, make a deduction from the outstanding interest. Details are as follows,

USD 150,000,000 exchangeable bonds due 2003 ("the Exchangeable Bonds"), filed a plaint in its own name and on behalf of the holdersof the Exchangeable Bonds against Bangkok Land (Cayman Islands) Company Limited as the issuer of the Exchangeable Bonds and Bangkok Land Public Company Limited as the guarantor of the Exchangeable Bonds in the Commercial Court in London, England requiring the group company to repay the indebtedness under the Exchangeable Bonds and related indebtedness in the total amount of USD 34,208,463.12 and interest calculated on a daily basis of USD 2,328.22 a day.

Bangkok Land (Cayman Islands) Company Limited and Bangkok Land Public Company Limited have filed their defence and counterclaim on March 30, 2017, requesting the Court to enforce the plaintiff to return all the dividends that the Trustee has paid for the interest arrears and fees and expenses of the Trustee. force the Company (as the guarantor) to pay the such USD currency debt and the English court judgment can only be used as evidence in the case of Thailand. However, the Company has been sued for debt repayment in US Dollars in Thailand and on October 1, 2012, the Central Intellectual Property and International. Trade Court has a verdict in decided case No. Kor Kor. 20/2009, decided case No. Kor Kor. 202/2012, the judge dismissed the plaintiff because of precluded by prescription. The legal advisor of the Company has the opinion that although the plaintiff won the case abroad, the plaintiff must file a lawsuit against Bangkok Land Public Company Limited as a guarantor in Thailand as a new case. The foreign judgment could not be applicable and enforceable in Thailand. Therefore, the Company did not make such provision.
