BANGKOK LAND PUBLIC COMPANY LIMITED AND ITS SUBSIDIARIES INTERIM FINANCIAL INFORMATION

DECEMBER 31, 2024

AND AUDITOR'S REPORT ON REVIEW OF INTERIM

FINANCIAL INFORMATION

Auditor's Report on Review of Interim Financial Information

To The Board of Directors of Bangkok Land Public Company Limited

I have reviewed the interim consolidated financial information of Bangkok Land Public Company Limited and its subsidiaries ("the Group") and the interim separate financial information of Bangkok Land Public Company Limited ("the Company"). These comprise the consolidated and separate statements of financial position as at December 31, 2024, the consolidated and separate statements of comprehensive income for the three-month and nine-month periods then ended, the consolidated and separate statements of changes in shareholders' equity and the consolidated and separate statements of cash flows for the nine-month period then ended, and the condensed notes to the interim financial information. Management is responsible for the preparation and presentation of this interim consolidated and separate financial information in accordance with Thai Accounting Standard No.34, "Interim Financial Reporting". My responsibility is to express a conclusion on this interim consolidate and separate financial information based on my review.

Scope of Review

I conducted my review in accordance with the Thai Standard on Review Engagements Code 2410, "Review of interim financial information performed by the independent auditor of the entity". A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Thai Standards on Auditing and consequently does not enable me to obtain assurance that I would become aware of all significant matters that might be identified in an audit. Accordingly, I do not express an audit opinion.

Conclusion

Based on my review, nothing has come to my attention that causes me to believe that the accompanying interim consolidated and separate financial information is not prepared, in all material respects, in accordance with Thai Accounting Standard No.34, "Interim Financial Reporting".

Emphasis of Matter

I draw attention to Note 17(b) of the financial statements. On July 23, 2018, the Company filed a lawsuit against Deutsche Trustee

Co., Ltd. and its partisans to prosecute in a Court of Thailand, a civil lawsuit was filed against the Central Intellectual Property and

International Trade, claiming damages of Baht 625.61 million. On February 5, 2021, the Court rendered a judgment for the Company

to repay the outstanding amount incurred under the USD Bonds, including interests, in the amount of USD 28,360,689.46 and the

default interest at the rate of 4.5 percent per annum calculated from the principal amount of USD 13,379,000 as from the date of the

Trustee's counter - claim until the date of the completion of the payment. In addition, the Company shall also make payment of the

expenses incurred from the operation as a trustee and other expenses of the Trustee, including interests, in the amount of GBP

1,868,885.65 together with the default interest at the rate of 2 percent higher than the interest rate of West Bank calculated from

the principal amount of GBP 1,798,034.17 as from the date of the Trustee's counter - claim until the date of the completion of

the payment and the Company has already recorded a provision for loss on pending lawsuits in the financial statements for

the year. However, the aforementioned case is not final and the Company had exercised its right to appeal in accordance with

the law. On May 25, 2022, the Company entered into a guarantee agreement with the Court and used securities as land and

condominium title deeds of the Group as collateral for suspension of enforcement during the consideration of the Court of Appeal for

Specialized Cases. On March 30, 2023, the Court confirmed a judgment as before. At present, the case is currently under

consideration in the Supreme Court level. My conclusion is not modified in respect of this matter.

The English court judgment can only be used as evidence in the case of Thailand. However, the Company has been sued for debt repayment in US Dollars in Thailand and on October 1, 2012, the Central Intellectual Property and International Trade Court has a verdict in decided case No. Kor Kor. 20/2009, decided case No. Kor Kor. 202/2012, the judge dismissed the plaintiff because of precluded by prescription. The legal advisor of the Company has the opinion that although the plaintiff won the case abroad, the plaintiff must file a lawsuit against Bangkok Land Public Company Limited as a guarantor in Thailand as a new case. The foreign judgment could not be applicable and enforceable in Thailand. Therefore, the Company did not make such provision.

The lawyers of the Group have the opinion that all lawsuits in relation to the exchangeable notes in Swiss Francs term and the exchangeable bonds in US Dollar term have been cited that the status of limitations has expired. All holders were not the actual holders due to wrongful acquisition in accordance with the securities transfer under the laws of Switzerland and England (depends on the case).

However, the aforementioned case is not final and the Company had exercised its right to appeal in accordance with the law.
